March 2010

Dear Team Organiser,

The Christchurch Interchurch Football League is back again for its twenty sixth year. If you are not the person in your church organising the soccer team then please pass this letter on to the organiser. **Please let us know** if you had a team in the League last year and do not intend to be involved this year. This will help us to plan the draw and organise the competition.

Team subs for 2010 are \$160. This can be paid in a single payment with your registration, or in two separate parts. A \$60 registration fee must be included with your team registration. The remaining subs of \$100 are due by the end of June. These fees cover the league administration costs, Mainland Soccer membership, trophies, prizes and ground fees for the season.

The season commences the week after Easter and matches scheduled every second Saturday. The first round this year is tentatively scheduled for April 10th. A list of fixtures will be posted on the website Easter weekend. The site will also provide you and your team with the vital info for the competition, including fields of play and rules.

Each team must be comprised of players from your own church, or who have a close connection to your church. A combination of several churches forming a team is also acceptable. Please ensure that you register the church(es) or organisation(s) your team is associated with on your registration form.

Churches and organisations are welcome to enter more than one team in the competition. However, we ask that team members are exclusive to their own team. There should be no shared players or "padding" of teams to make up numbers.

The opportunity is there to invite non-Christian friends to play on your team as the league is an effective means of outreach. However we ask that you do not abuse this opportunity. Players must be outfitted in shirts and preferably shorts of the same colour. Team colours should be determined before the season begins and entered on your registration form.

Team organisers are to be the primary point of contact for their teams. They will be responsible for ensuring their team attends their scheduled matches as well as phoning in results. They will be responsible for the conduct of players on and off the field and will ensure the team account is paid in full by the due date.

Please also include a secondary contact person on your registration form. They will be used only when we are unable to contact the team organiser. Contact telephone numbers and email addresses will be supplied to all team organisers. All other registration information collected will be stored securely and will not be made available to third parties.

There will be a pre-season meeting on Saturday, 27th March at 10am at 28 Achilles Street, Burwood, Chch 8061. This is an opportunity for all captains and team organisers to contribute to the way the League is run as well as be part of the decision making for any changes for the following year's season.

To enter this year's competition you will need to either:

1. Have your team's organiser attend the pre-season meeting at 10:00am Saturday, 27th March

or

2. Return your registration form with the fee no later than Saturday, 27th March. The address for postage is 28 Achilles Street, Burwood, Christchurch 8061.

Kind regards,

Dave Matthews
