--	--	--

Dear Team Organiser,

Welcome back to the 2017 season. You will find the team registration form below which must be completed and returned with the registration fee to confirm your entry in the league this year.

The 2017 season is scheduled to kick-off on Saturday, 8th April. Matches are played at 12:30pm every second Saturday over 10 rounds. The season wraps up with a five-a-side tournament and prize giving the weekend after the final round of the main competition. A list of fixtures will be posted on the website the weekend before we kick off. The website will also provide you and your team mates with vital information for the competition, including field locations and our rules of play.

This year the League will continue to be run by a Governance committee consisting of Matthew Button, Mitch Shaw and Jono Scott (league coordinator).

Each team must be comprised of players from your own church, or who have a connection to your church. Teams can also be formed with players from several churches. In this situation please list the organiser's own church as the team affiliation. There is the opportunity to invite non-church going friends to play on your team and use the league as an effective means of outreach. However, we ask that you do not abuse this opportunity. All teams should contain a significant majority of Christian players. Each team must include contact details for their relevant church Pastor or a similar authority. This season all team affiliations will be personally verified.

Churches and organisations are welcome to enter more than one team in the competition. However, team members are to remain exclusive to their individual teams. There should be no sharing of players or padding teams to make up numbers. Please ensure you have enough players for each team before you confirm your entry.

Entry fees and subs must be paid in full by the due dates. For new teams, and those with a late payment history, these fees must be paid in full prior to the start of the season. Any outstanding or unpaid fees must be paid prior to signing up for the new season. Late payment may result in suspension until the outstanding subs are received.

All players must be outfitted in shirts and shorts of the same colour. Team colours should be determined before the season begins and entered on your registration form. Numbered shirts are preferred. All players are required to be registered and named.

Team organisers are the primary point of contact for their teams. They will be responsible for ensuring their team attends their scheduled matches as well as phoning in the results. They will be accountable for the conduct of their players on and off the field. They will be responsible for team accounts being paid in full by the due date and arranging trophy returns. Team organisers do not have to be an active player, but it is advisable that they attend their team's matches. The team captain will be responsible for player conduct on the day of the match.

Each team must register a secondary contact person. They will be used only when we are unable to contact the team organiser. Contact phone numbers and email addresses will be supplied to all team organisers. All other registration information will be stored securely and will not be made available to third parties.

Team Registrations

Our subscriptions for 2017 are \$450. This includes our Mainland Football and NZ Football levies, prize pool and administration. To enter in the 2017 competition you will need to return the completed form in full below and pay the registration deposit of \$150. Entry into the competition will be confirmed on receipt of payment.

Registrations and deposits are due by 31st March 2017

Competition will commence on Saturday, 8th April

This deposit is a part of the subscription, so the outstanding \$300 will be due 15th May 2017. New teams entering the competition this year must pay the full subscriptions by 31st March 2017.

- Please email the form below to jono@christiansoccer.org.nz or deliver by mail to the address below and make your payment into the league account below
